Sub- Summer Industrial Internship for B.Tech 6th Semester

Sir,

At the very onset I, on behalf of Jorhat Engineering College, would like to express our deep sense of gratitude to you and your esteemed Organization for your kind and continuous support extended towards project training and internships to the students of this college in the past years. Your effort has made them knowledgeable about the technological happening in the industrial world.

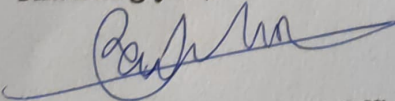

I am forwarding herewith an application of the following students who are interested to undergo summer internship in your esteemed organization for one month in the month of July 2024, which is a requirement of their education curriculum. It may be kindly noted that internship less than one month in duration will not be counted in our curriculum. The training will be of industrial interest only and there will be no financial obligation on your part.

NAME OF THE STUDENTS	SEMESTER	BRANCH
1. RISHIKA HAZARIKA 2. SHRUTI SARMA 3. SHREYOSHI GHOSH	6 TH SEMESTER	COMPUTER SCIENCE AND ENGINEERING

The application from the students in original is enclosed herewith.

I fervently request you to make it possible to accommodate the above students in the internship program for this session.

Thanking you,

Training and Placement Officer
Jorhat Engineering College
